

Re: CPSIA (Consumer Product Safety Improvement Act) Compliance

Please be advised that the products listed below:

General Purpose Polystyrene (GPPS): **Resirene® HH-101, HH-103, HH-104, HH-108, HF-555, HF-777**

High Impact Polystyrene (HIPS): **Resirene® 2210, 4220, 5470, 6110, 6420, 6470, 7600**

Styrene-acrylic Copolymers (SMMA): **CET® 116, CET® 123, CET® 230, CET® 240, CET®250, CET®265, CET® 231 DB, CET® 241 DB, CET® 251 DB**

comply thoroughly with CPSIA of 2013 and its amendments, which apply as follows for these products:

- CPSIA Section 101, Lead Content in Substrates (<100 ppm lead)
- CPSIA Section 108, Phthalates (<1000 ppm DEHP, DBP, BBP, DINP, DIDP, DNOP)

None of above materials are used in the fabrication of any product manufactured by Resirene, S.A. de C.V and cannot be generated as by-product in the manufacturing process, since its chemical nature is clearly different to those of our raw materials.

This information is considered accurate and reliable as of the date appearing above and is presented in good faith. Because use conditions and applicable laws may differ from one location to another and may change with time, Recipient is responsible for determining whether the information in this document is appropriate for recipient's use. Since Resirene has no control over how this information may be ultimately used, all liability is expressly disclaimed and Resirene assumes no obligation or liability, therefore. No warranty, express or implied, is given by Resirene or others to be inferred.
