

**RE: EU Cosmetic Regulation**

Regarding European Regulations (Commission Directives) applicable to styrene-based natural resins manufactured by Resirene, S.A. de C.V., we hereby state that all grades in the following product series:

General Purpose Polystyrene (GPPS): **Resirene® HH-101, HH-103, HH-104, HH-108, HF-555, HF-777**

High Impact Polystyrene (HIPS): **Resirene® 2210, 4220, 5470, 6110, 6420, 6470, 7600**

Styrene-acrylic Copolymers (SMMA): **CET® 116, CET® 123, CET® 230, CET® 240, CET® 250, CET® 265, CET® 231 DB, CET® 241 DB, CET® 251 DB**

Comply with Regulation (EC) 1223/2009<sup>1</sup> of November 2009 on cosmetic products. The Annex II (List of Substances prohibited in cosmetic products) of this regulation includes the next substance:

Substance	CAS	Concentration	Comments
Styrene	100-42-5	Below 1,500 ppm	Residual from mass polymerization

As the supplier of the raw material, we cannot make any statement about the extruded or molded components made from this material since this may be process dependent. The information provided herein is accurate and reliable as of the date indicated above and is presented in good faith. Since conditions of use and applicable regulations may vary by location and may change over time, the recipient is responsible for determining the suitability of this information for their specific use. As Resirene has no control over the manner in which this information may ultimately be used, all liability is expressly disclaimed, and no warranty, express or implied, is provided or to be inferred.

Please do not hesitate to contact your Resirene account manager should you have any questions or comments.
