RE: REACH ANNEX XVII

Regarding compliance with the substances restricted Candidate List of Substances of Very High Concern for authorisation published by the European Chemicals Agency (ECHA) (**updated February 4, 2026**), the Substances restricted under REACH and Authorisation List (Annex XVII and XIV) please be advised that our resins:

General Purpose Polystyrene (GPPS): Resirene® HH-103, HH-104, HH-108, HF-555,
HF-777

High Impact Polystyrene (HIPS): Resirene® 2210, 4220, 5470, 6110, 6420, 6470, 7600

Styrene-acrylic Copolymers (SMMA): CET® 116, CET® 123, CET® 230, CET® 240, CET® 250,
CET® 265, CET® 231 DB, CET® 241 DB, CET® 251 DB

Do not contain in its raw materials any of the substances indicated in the referred list, which is available in the following websites:

<http://echa.europa.eu/candidate-list-table>

<https://echa.europa.eu/authorisation-list>

Further, the information provided by our raw material suppliers and our best manufacturing knowledge suggest that such substances cannot be generated in any way, therefore their observance is not part of Resirene's ongoing production control. Even if such substances are not intentionally added, the presence of negligible traces in the components supplied by third parties is not excluded.

The information provided herein is accurate and reliable as of the date indicated above and is presented in good faith. Since conditions of use and applicable regulations may vary by location and may change over time, the recipient is responsible for determining the suitability of this information for their specific use. As Resirene has no control over the manner in which this information may ultimately be used, all liability is expressly disclaimed, and no warranty, express or implied, is provided or to be inferred.

Hoping that this information will be helpful for you,
